Thanks for your purchase!

Thank you for purchasing the 710 Life Dip N Dab to vaporize your concentrates or essential oils. In order to ensure safe use, Read all of the instructions before operating and safety warnings before operating. Failure to follow instructions may result in damage or injury and may void your warranty.

Friendly tips:

Use with caution. Coil element or heating chamber becomes extremely hot. Do not touch once powered on. Do not leave unattended while powered on. Do not attempt to change the shape of the formed coil in any way. Do not leave the unit plugged in for longer than 5 continuous hours. Do not let any liquids, waxes or gels contact inner electronics. Do not customize or modify unit internally or externally. Failure to follow cautionary tips may void warranty and can seriously injure you or your property.

Must be 21 years of age or older to operate.

How to Use:

1. Fully charge unit.
2. Remove glass bubbler. Fill glass bubbler 10-25% with water through the mouthpiece
3. Connect the vapor tip to the Dip N Dip body.
4. Attach the glass bubbler to the opposite end.
5. Quickly press the power button 5X times to turn the system on/off. The LED light will flash indicating it is on. Dip N Dab lights (red & green) will flash 5X times.
6. Hold the button and wait for a few seconds to pre-heat. While holding the button, lightly tap the vapor tip onto your concentrates or essential oils. Inhale and enjoy through glass bubble. During heating, the LED indicator lights will stay with red or green color.

Cleaning and maintenance:

1. Cleaning the glass bubbler.
 - (a) Remove the glass bubbler attachment from the Dip n Dab body.
 - (b) Pour 99% ISO alcohol into mouthpiece until about 1/4 full.
 - (c) Rinse out the alcohol water into the top mouthpiece until all alcohol is thoroughly flushed out of the glass bubbler and allow to dry. To remove the water from the glass bubbler just blow through the mouthpiece while shaking it gently
2. Cleaning the heating tip & airway.
 - (a) Remove the heating tip to open the reclaim chamber.
 - (b) Soak the vapor tip in isopropyl alcohol to remove any residue. Then rinse thoroughly with warm water and allow to dry.
 - (c) Remove the reclaim chamber.
 - (d) Dip the cleaning swab in isopropyl alcohol to aide in removing residue from the reclaim chamber and interior airway.
 - (e) Reassemble the device after residue has been cleaned

Warning: Always allow to completely cool before touching or cleaning or placing back in case or other area.

Charging:
Connect micro USB cable into charging port to start charging.
The LED light will stay RED while the device is charging.
The LED light will stay GREEN while the device is fully charged.
Remove the micro USB cable before starting the device.

Important safety warnings:
NEVER vape while charging.
Do not expose to extreme temperature or direct sunlight.
Do not modify the unit or accessories. Do not submerge in any liquid.
Do not drop the electronics in any way. Please allow the full cool down between cycles or cleaning. Dip N Dab and all vaporizers are intended for adult use only. Do not sell, provide or allow access to minors.

Keep all parts, concentrates, herbs and liquids away from children, pets and flammable materials. Dip N Dab is not a medical device and is not intended to diagnose, treat, cure or prevent any ailment, disease or any other medical condition. Do not use if pregnant, breastfeeding or may become pregnant. Dropping or submerging in liquid, improper cleaning, neglect, or any other damage that is not a result of defective materials or craftsmanship will void your warranty.

Important note: Vaporizer tips are disposable attachments. Once they are used, no warranty will be offered on used tips.
